# AWARDS

Filled to the brim with the who's who in the fashion world, from designers to models, it's no wonder these starlets brought their A-game.

EMMA STONE

BRACELET, RM480, FROM SWAROVSKI.

## GOTH GLAM

Perhaps in homage to her *Twilight* connection, Ashley's sheer lace outfit is vampy yet — like her do-gooder character in the franchise — still exudes an innocent girlishness.
